RE: Revised deadline for poster turn-in for

4th Annual Missouri Highway Work Zone Safety Poster Contest

Thank you for your participation in the past Poster Contests and for your support of our highway workers.

The holiday season came quickly, more quickly than we anticipated when we set the deadline for turning in posters for this year's Highway Work Zone Safety Poster Contest. We have asked for and received an extension of the deadline for the National Work Zone Safety Poster Contest. With this extension, the deadline for the Missouri contest is now **March 8, 2008**.

Attached is the information for the Contest with the revised deadline noted.

Thanks again for working with us on this contest. Please contact me with any questions.
